*Required rehearsal for all students participating in the recital including Company and Dance Club/Boy's Hip Hop Team*

It is very important all students participating in the recital attend because we will be rehearsing the closing number act and teaching the dancers how to enter and exit the stage safely and efficiently.

All students will be checked in by parents directly to their assigned dressing room. The room your child is assigned to will be sent out prior to June 7th along with additional check-in details. Please plan to arrive at least 20 minutes prior to your call time. For most students this will be 4:40 pm for the 5:00-6:30 pm rehearsal. The two Voice classes will have a special rehearsal from 6:30-7:00 and the Dad's Dance participants will rehearse from 7:00-7:30 (this includes the kids).

Arrive 20 minutes prior to call time directly to the Nechita Performing Arts Center to check in

Students only in the theater for the duration of rehearsal. OCPAA Faculty and Staff and registered parent volunteers will be with the students at all times.
